MEMORANDUM FOR ALL ANDERSEN AIR FORCE BASE PERSONNEL

FROM: 36 WG/CC

SUBJECT: COVID-19 Mitigation Measures and Enforcement

References: (a) Governor of Guam Executive Orders
(b) Joint Region Marianas Memorandums and Policies
(c) OUSD Personnel and Readiness Memorandum, "Updated Guidance for all DoD Installations and Other Facilities," dated March 1, 2022

1. The Centers for Disease Control and Prevention (CDC) have set new recommendations related to COVID-19 Community Levels and prevention strategies, therefore IAW current Department of Defense (DoD) policy (ref (c)), the following COVID-19 mitigation measures are effective immediately for all DoD service members, dependents, DoD Civilian employees, contractors, and all other official visitors on AAFB. The prescribed measures are intended to mitigate COVID-19 cases, protect critical missions, and keep service members and their families safe.

a. Force health protection guidance remains in effect including staying up to date on vaccines and boosters, testing, indoor ventilation, physical distancing, travel, workplace access, occupancy levels, and mask wear as required below. Personnel must continue to self-monitor for COVID-19 signs and symptoms. If a member suspects that they have COVID-19, or have had close contact with a person suspected to have COVID-19, they should remain home, contact their chain of command, and call the 36th Medical Group (36 MDG) at 671-366-9355 (366-WELL).

b. On-island travel, gatherings, and patronage off-base will be IAW with Gov Guam Executive Orders (ref (a)).

c. Mandatory mask wear on AAFB will be IAW ref (c) and based upon CDC COVID-19 Community Levels metrics. All personnel will continue to comply with on-base facilities that require mask wear in order to safely operate. Personnel may choose to wear a mask regardless of the CDC COVID-19 Community Levels. Personnel with symptoms, a positive test, or exposure to someone with a positive test should wear a mask for the required duration.

d. When safety dictates, commanders may approve teleworking, teleconference meetings, and limit in-person duties on a case by case basis.

2. Unit Commanders may issue more restrictive measures to mitigate risk to mission and personnel.

3. Military members not in compliance with these measures may be subject to UCMJ action. Civilians and dependents not in compliance may be subject to barment from AAFB and civilian prosecution.

4. Please refer questions to Maj Brian Gendreau, 36th Wing COVID-19 Response Lead at 671-362-4738 or Brian.Gendreau.2@us.af.mil.

5. This memorandum supersedes AAFB COVID-19 Mitigation Measures & Enforcement, 7 January 2022.
