MEMORANDUM FOR ANDERSEN AIR FORCE BASE

FROM: 36 WG/CC

SUBJECT: COVID-19 Mitigation Measures & Enforcement

1. The following COVID-19 mitigation measures have been updated and are effective immediately:
  - a. All personnel must maintain vigilance regarding physical distancing, mask wearing, and hand hygiene. Physical distancing is defined as greater than 6 feet between yourself and others. Personnel must continue to self-monitor for COVID-19 signs and symptoms and must inform the 36 MDG and their chain of command if they suspect they are infected, or have had close contact with a person suspected to be infected. Close contact is defined as less than six feet between yourself and another person for 15 minutes or more.
  - b. Private gatherings are limited to no more than 15 personnel outside the immediate household. This practice ensures capability for rapid contact tracing and mitigation of positive cases and clusters.
  - c. Wing, Group, and Unit Commander-sponsored events that have AAFB Public Health approval and verifiable COVID-19 precautions in place are authorized but limited by size and proximity.
  - d. Individuals must abide by Government of Guam policies concerning off-base travel and activities with the following caveat: clubs and similar establishments that encourage close proximity with other individuals remain strictly prohibited.
  - e. Low transmission-risk outdoor recreational and fitness activities are authorized (i.e. diving, water sports, cycling, etc.)
2. Unit Commanders may be more restrictive on these measures in the interest of mitigating risk to mission and personnel.
3. Military members not in compliance with these measures may be subject to Uniform Code of Military Justice action. Civilians and dependents not in compliance may be subject to barment from Andersen Air Force Base and civilian prosecution.
4. This memo supersedes 2 Jul 20 COVID-19 Mitigation Measures & Enforcement. This policy will remain in effect until further directed. Please refer questions to your chain of command or 36 WG/PA at 671-366-2228.
