

DEPARTMENT OF THE AIR FORCE  
HEADQUARTERS 36TH WING (PACAF)  
ANDERSEN AIR FORCE BASE GUAM

JUL 14 2021

MEMORANDUM FOR ALL EXERCISE FORAGER 21 PERSONNEL

FROM: 36 WG/CC

SUBJECT: Access to Base Facilities and Services for Exercise FORAGER Personnel

Reference: (a) 36 WG/CC, 14 Jul 2021, AAFB Supplemental Restriction of Movement (S-ROM) Policy  
(b) 36 WG/CC, 16 May 2021, COVID-19 Mitigation Measures & Enforcement

1. Due to the US Army's strong desire to house large amount of exercise participants on base, Exercise FORAGER personnel increased the base population by nearly 100%. This dramatic population increase, located in the heart of the installation's main working and living areas, coupled with the influx of significant numbers of non-vaccinated personnel, put our base population, mission, and resources at risk. For this reason, it is necessary to put restrictions in place for those facilities and services where large gatherings are likely to occur.
2. In addition to the S-ROM and COVID-19 mitigation measures outlined in references (a) and (b), FORAGER personnel have the following access for the duration of the exercise:

RESTRICTED ACCESS:

Coral Reef Fitness Center                      Off-limits at all times

LIMITED ACCESS:

AAFES Base Exchange (BX)                      Off-limits on Tuesday, Thursday, and Saturday  
Commissary    Off-limits on Tuesday, Thursday, and Saturday  
Barber Shop and Salon (BX)                      Off-limits on Tuesday, Thursday, and Saturday  
USO Andersen    Off-limits Weekdays 1000-1500, Capacity limited to 50 personnel at all times

EXCLUSIVE ACCESS:

Fitness Center Annex                              Open 24/7  
Mobile USO "The Oasis"                              Open Daily

3. Questions or concerns will be routed through Exercise FORAGER leadership to the 36th Wing Executive Staff at 671-366-3600 or by e-mail at 36WG.CCE@us.af.mil.
