

BIOGRAPHY

UNITED STATES AIR FORCE

LIEUTENANT COLONEL STEVEN M ANDERSON

Lieutenant Colonel Steven Anderson is the 36th Logistics Readiness Squadron Commander, Andersen AFB, Guam. He leads 330 personnel across nine Air Force Specialty Codes and manages resources totaling \$622 million. He is responsible for the Air Force's largest fuels management account totaling 66 million gallons, 68 hydrants, and 48 refuelers. Other major operations under his purview include a \$73 million Wartime Reserve Materiel program, a 1,275 Air Force operations and Navy installation support vehicle fleet, and the largest installation support contract in PACAF worth \$22 million.

Lieutenant Colonel Anderson received his commission in 2004 from the University of Central Florida, Air Force Reserve Officer Training Corp, and graduated with a degree in Liberal Studies. He attended Logistics Readiness Officer training course in 2005, San Antonio, Texas. Lieutenant Colonel Anderson's experience ranges the full breath of logistics operations ranging from the Logistics Readiness Squadron, Number Air Force, Major Command, and most recently the Joint Staff. Previously, he served as the Special Operations Joint Logistics Directorate Forward Operations Officer; Special Operations Command-Central, Al Udeid Air Base, Qatar. He oversaw twenty five joint logistics personnel in the disciplines of Civil Engineer, Contracting, Intra Theater Movements, and Property Book Management. His directorate supported seven command and control nodes spread across twenty three countries supporting fifty eight concept of operations in the CENTCOM area of responsibility.
