# Welcome to ANDERSEN AFB, GUAM

CURRENT AS OF 02/2026

Håfa Adai and welcome to Andersen Air Force Base!

It is our pleasure to welcome you to the 36th Wing and the beautiful island of Guam. Whether you're here for the first time or returning, we're proud to have you as part of Team Andersen.

The 36th Wing's mission is clear: to be ready to execute the pacing OPLAN. Andersen is a strategic hub in the Pacific and plays a key role in supporting regional stability. You and your family play a vital role in accomplishing that mission. Your presence here matters, not just to the success of our operations, but to the strength of our community.

We know relocating comes with many questions, and we encourage you to connect with your sponsor and your unit's Key Support Liaison. They're here to support you and provide valuable resources before and after your arrival. You'll also find helpful information on the official Andersen AFB Facebook page.

We believe this assignment will be one of the most memorable and fulfilling experiences of your Air Force journey. Guam is rich in culture, natural beauty, and adventure. Take the time to explore and enjoy everything this incredible island has to offer.

Again, welcome to the team. We look forward to serving alongside you and your family.

ALL ABOUT  
GUAM

## RELOCATION CHECKLIST

### 12 to 24 Weeks (as early as possible)

- Begin disposing or giving away unnecessary household and personal items.
- Begin talking to your children about moving. Listen closely to what they say — and what they don't say. Small children may not be able to express their concerns verbally; older ones may not want to. Even very young children may have very specific apprehensions. Watch for behavior changes that may indicate things they aren't saying. Plan to revisit this over the next few months.
- Find out as much as possible about the new location — housing, schools, recreation, sports, etc. Go to <https://installations.militaryonesource.mil/military-installation/joint-region-marianas-andersen-afb> and search for the information on your new Base. Help your children do their own searches (or ask them to help you.)
- Contact the local Military & Family Readiness Center (M&FRC) and ask if there is an outbound Smooth Move workshop coming up. If you are going overseas, ask about Intercultural Relations (ICR) training, workshops, or resources.
- If you are going overseas, determine what additional constraints there may be on having your pets and automobiles at the OCONUS location.
- Begin taking digital photographs of household goods, especially those of particular value. You will use these photographs if you have to make a damage claim after receiving your shipment. Plan to hand-carry or mail them to yourself and leave copies with a friend.

### 12 Weeks:

- Schedule a transportation appointment.
- Schedule a customs appointment, if necessary.
- Begin cleaning major appliances to avoid last minute spring cleaning.
- If living off base, check your rental contract to determine how much notice you have to give. Your rental contract should have a military clause that enables you to leave without penalty due to military orders. You may have to give the landlord a copy of your orders if you are invoking the military clause.
- If you didn't do so when first discussing the upcoming move with your children, help them begin to assemble their "personal items boxes." These can be shoe boxes or similar sized containers that each child will hand carry. Contents are their choices. Expect them to change many times. Make sure that each child knows that the final selection must be made before the final pack out, but otherwise encourage this ongoing change management process.

### 8 Weeks:

- Notify your Personnel Officer if you have not yet received your orders.
- Request a sponsor, if you have not already done so, or if you have not been appointed one.
- Write to wives' clubs, support groups, old friends in the area, family and your sponsor.
- Plan to wrap vacation time around your move. Write or visit travel agencies, state visitor's bureaus and national park services to see what there is in the area you will be passing through.

## 7 Weeks:

- Get all necessary medical and dental work performed.
- Notify your landlord of your departure and make the necessary arrangements.
- Schedule house/apartment hunting trips and reserve temporary lodging.

## 6 Weeks:

- Call Family Housing to schedule a pre-termination inspection.
- If required, draw up a power of attorney to be left with a trusted friend so that someone can act legally on your behalf. For example, you may want to designate a friend to sell your automobile for you — this action would require a power of attorney. The power of attorney should be limited to the appropriate actions and time frame. The Base Legal Services office will do this free of charge.
- Get official copies of marriage licenses, divorce decrees, birth certificates, and naturalization papers — any documents showing your legal status. Also get all immunization records for every family member (including pets). Carry them with you when you travel.
- Notify current schools of your children's date of departure, and get records to take to the new school. If the school will not give you the records, ask if you can get certified copies. If not, write down the address and a point of contact for the current school so the new school can write for the records. Hand-carry records or copies.
- Get all the facts on procedures for shipping pets and automobiles and begin preparation.
- Make sure the Transportation Office has been contacted and appointment made to process your request for shipment and/or storage.
- You may need to allow two weeks to get an appointment. Orders are needed when you go for the appointment.
- Start using frozen and canned foods.

## 5 Weeks:

- Sort out closets; sell or give away castoffs.
- Begin estimating approximate weight of appliances, furniture, etc. Refer to the Defense Travel Management Office at <https://www.defensetravel.dod.mil/site/perdiem.cfm>, for weight allowances. The M&FRC Relocation Assistance Program and the Base Transportation Office can offer help and guidance in estimating weight. Rule of Thumb: the total is more than you think.
- Give 30-day notice to landlord if living off base. Often, notice must be given on the 1st day of your last full month. Determine when your security deposit will be refunded. Ensure that the landlord has a good address to which to send the refund. Make sure that you have good contact info for the landlord so that you can follow up if the deposit is not sent in a timely fashion.
- Think about what to sell at a garage sale or consignment shop, and what you can take to the garbage dump.

## 4 Weeks:

- Ensure landlord has received termination notice.
- Notify utility companies of cut off dates.
- Notify the telephone company of when the telephone should be disconnected.
- Notify the cable TV company of when the cable should be disconnected.
- Make arrangements for, and ship privately owned vehicles.
- Send rugs, draperies, and other items out for cleaning.
- Obtain maps you will need for your trip.
- Retrieve any property you have loaned out, and return any borrowed items.
- Make arrangements for care of children on packing day. Plan to make sure each child has his/her personal items box, and that all items are still present at the end of the day.

## 3 Weeks:

- If you have not yet received flight instructions, notify your unit Personnel Officer.
- Make arrangements for travel to the airport.
- Close out charge, banking and checking accounts you no longer need. Get all the facts on procedures for shipping pets and automobiles and begin preparation.
- Obtain cash or travelers' checks for your trip. You may need extra cash when you arrive at your new location for deposits for utilities or your apartment, or in case you run into some unforeseen expenses.
- Get change of address cards from the Post Office and give them to your unit mailroom, mail to magazine companies to which you subscribe, income tax bureaus, friends, family, etc.

## 2 Weeks:

- If not already shipped, get the car serviced and clean it thoroughly.

- Have any prescriptions you need refilled. Get a new prescription for any medicines that may be difficult to obtain on the first visit to a new doctor (e.g., stimulant medication for ADHD, anti-depressants, etc.)
- Obtain referrals for new doctors, dentists, etc.
- Obtain a copy of all eyeglass prescriptions.
- Gather and organize documents that need to be hand carried (e.g., medical records, spouse employment files, etc.).
- Make arrangements to clean the house for inspection.
- Ensure that an appointment for your final check out inspection is set up.
- Pick up any items still at cleaners.
- Make provisions for family or friends to board or adopt pets that are not moving with you.
- Give away or dispose of plants not moving with you.
- Dispose of all flammable items such as paint, turpentine, charcoal lighter fluid, etc.
- Clear all installation offices necessary in order to depart.

## 1 Week:

- Separate and tag items in the house — what's going with you/what's going to hold baggage.
- Dismantle the stereo, remove pictures from the walls and remove hardware.
- Check closets, storerooms, attic space, and garages to make sure that you are not forgetting anything.

## Last Day before Departure/moving to Temporary Lodging:

- Return all items to the Loan Locker.

**Save all paperwork and inventory forms the packers give you. Hand-carry them.**

Dear Fellow Travelers, I want to take this opportunity to welcome you to the AMC Passenger Terminal at Andersen Air Force Base, Guam. We are committed to providing you with the best possible service.

In 2023, our passenger terminal was decimated by Super Typhoon Mawar. Through grit, problem solving, our Airmen designed a functional space with temporary portable offices to maintain continuous passenger support. We are excited to open a new \$2.3M interim facility in the coming months worthy of the Airmen, families, and veterans who rely on our mission, while we continue to renovate and rebuild our official AMC terminal.

Let us know if you have any questions or concerns during your travels. Passenger service agents and AMC leadership at this facility are your best avenues for answers to your questions and concerns. Please give us the opportunity to address your issues. An option you have is the Interactive Customer Evaluation (ICE) form found at <http://ice.disa.mil>. This avenue allows you to leave comments for any AMC terminal.

# PATRIOT EXPRESS FLIGHTS

## What is PATRIOT EXPRESS?

The Patriot Express, also known as the "Rotator" or "Cat B flight", is a Department of Defense (DoD) contracted commercial charter flight which provides international support to travelers on official duty and their families. The PE also provides Space-Available travel opportunities. The 618th Air Operations Center at Scott AFB, IL., schedules these flights on a recurring basis both to and from AMC commercial airports and military passenger terminals. These flights offer inflight amenities and operate similar to commercial airlines.

## Amenities

Amenities may vary between carriers. Available meals and beverages are comparable to those offered in commercial airline business class. Special meals such as kosher, diabetic, vegetarian, and meals for children may be available when requested 48 hours in advance. Patriot Express flights may show current box office movies and provide headsets free of charge. Some flights offer 34 inches of legroom, compared to 31-32 inches on most commercial airlines.

## Required Documentation

Passengers traveling in conjunction with a PCS or official travel must have in their possession a travel order or similar authorization issued by an appropriate authority, and an official identification card issued by a DoD Component, federal, State, or local government authority. In addition, passengers may be required to carry passports, visas, and immunization records etc. when applicable. Responsibility to obtain required documentation lies solely with you, the traveler. Additional information can be found by accessing <https://www.fcg.pentagon.mil/>.

## Checking In

Passenger check-in opens 6 hours prior to departure at AMC commercial airport locations. If passengers do not elect to check-in early, the required show time is no later than 2 hours and 20 minutes prior to departure at BWI Airport, and 3 hours and 20 minutes prior to departure at SEA-TAC Airport. If you are departing from a military installation, please check with the passenger terminal personnel for specific check-in times. These times are designed to ensure on-time departures.

# PERSONAL PROPERTY CLAIMS

FEBRUARY 2024

This fact sheet applies to personal property shipments moving under the Defense Personal Property System (DPS) and Tender of Service (ToS). If you are moving under the Global Household Goods Contract (GHC), visit [MilitaryOneSource.mil/GHC](https://MilitaryOneSource.mil/GHC) for similar program-related resources or contact your local transportation office for assistance.

## 1 Give notice of loss/damage within 180 days from delivery date

Provide your Transportation Service Provider (TSP) a written notice via:

1. "Notification of Loss or Damage AT Delivery" form completed with TSP on delivery day
2. "Notification of Loss or Damage AFTER Delivery" form in the Defense Personal Property System (DPS)
3. Email, fax transmission, or USPS and obtain a proof of receipt to verify date of delivery to your TSP

## 2 File a claim within 9 months from delivery date

File an itemized claim in DPS for every lost or damaged item. (For non-temporary storage (NTS) and direct procurement method (DPM) shipments, your claim may be emailed or mailed. Contact your NTS or DPM contractor who handled your shipment to confirm where to send your claim.

- The TSP must confirm receipt of your claim within **15 days**.

### Alternate Filing Option: Quick Claim Settlement

If offered on delivery day, you may file paperwork in-person with the TSP to promptly resolve minor loss or damage. Quick Claim amounts will not exceed \$2,000 total for shipments. Payment is made within 5 days of claim submission. You may still file other claims for loss or damage discovered after delivery, excluding the items filed under a "quick claim."

## 3 Work with the TSP to assess your claim

The TSP may send someone to inspect your items to determine payment or repair amount. For lost items, a tracer action will be initiated. Every effort will be made by the TSP to locate your missing items prior to advising you to file a claim.

- The TSP has 30 days to make an offer or deny liability for claims under \$1,000 and 60 days on claims over \$1,000. You can make counteroffers and the TSP must respond to each reply within 7 days.
- If repairing an item, the TSP must hire a repair company within 20 days and have that company inspect the item within 45 days.
- Offers for claims entered in DPS or communicated via email will be honored. If there is a dispute between two differing offers, the offer that is most advantageous (i.e., higher dollar value) to the customer will be honored. TSPs will update DPS with the final dollar amount when settled.
- For NTS and DPM shipments, the delivering TSP must notify you and the Military Claims Office (MCO) within 3 business days if denying liability. If denied by the TSP, you should file your claim with NTS/DPM Agent. If again denied, you may transfer your claim to the MCO.
- If the TSP has stopped communication, DO NOT dispose of damaged items, obtain an estimate, or repair any items without first contacting the MCO for approval.

## 4 Finalize the settlement or transfer to MCO

You may settle a claim by accepting in full or accepting and rejecting the offer for separate items. Individual items you reject can be transferred to your MCO for further review.

TSPs (to include NTS and DPM contractors) are required to:

1. Make payments NLT 30 days from the date the claim is settled in DPS.
2. Pick up salvage items within 20 days from inspection or within 30 days after being deemed "beyond repair."

### DO NOT FEEL PRESSURED. Only accept an offer if you are completely satisfied.

#### **NOT FULLY SATISFIED?**

Consider contacting the MCO if the TSP has denied your claim, you choose not to accept the TSP's offer, or you have not heard from the TSP in 30 days. Please note all transferred claims are handled by the MCOs outside of DPS. After transferring your claim in DPS, do not dispose of any items. Note any further communication with the MCO will occur external to DPS.

## Community Programs

AFAS understands the challenges that come with active duty Air Force life and offers targeted community enhancement programs to help make everyday life on base a little easier. The specific AFAS supported community programs offered varies between Air Force Base installations. Visit your Airman & Family Readiness Center to discover which of these programs may be available to your family.

**Bundles For Babies** – Our Bundles for Babies class is designed to teach expectant and new parents basic parenting skills, as well as essential financial skills to help with budgeting for a new baby.

**Child Care Programs** – Parenting can be stressful. Those stresses can be even more acute for a military family. AFAS offers several programs to help Air Force families with child care needs.

**Spouse Employment Program** – Active duty Air Force spouses can take advantage of entry-level job training to help secure immediate, viable employment. AFAS pays for tuition, instructor fees, and course materials for spouse participants.

**Heart Link Spouse Orientation Program** – Recognizing that spouses play an important role in the success of an active duty Airmen, AFAS provides funding for the Heart Link program. This program is designed to strengthen military families and enhance mission readiness by helping to orient new Air Force spouses (typically 5 years or less) to active duty military life.

**Pet Transportation Grant** – This program is a “need basis” for those with financial challenges. It provides a \$1,000 “GRANT” assist to offset the cost to fly your pet(s) in and out of Andersen AFB, Guam. Application MUST be submitted within 60 days of the Active Duty Member’s departure from Andersen AFB. Apply online

by creating an account through [www.afas.org](http://www.afas.org). Once an account has been established, log in to the AFAS Website and apply for a Standard Loan. Complete the application process and complete the financial worksheet. Upload a copy of your Orders, EOM LES, and Pet Invoice.

## Education Support

AFAS helps Air Force families offset the cost of college education. We provide educational grants, scholarships and loans to the dependent children and spouses of active duty and retired Air Force members, Title 10 Reservists, Title 32 Guard, retired Reserve and deceased Air Force personnel.

### General Henry H. Arnold Education Grant Program

– Arnold Education Grants are awarded to eligible, qualifying Air Force dependents. Grants range from \$500 to \$4,000, with specific amounts awarded based upon financial need.

**Supplemental Loan Program** – Knowing that incidental college expenses for books, fees, and supplies can be challenging financially for families already facing tuition, room, and board costs, AFAS offers a no-interest \$1,000 Supplemental Education Loan to help reimburse these expenses.

## ***Mil-Mil OHA Off-Base Guam Example:***

A mil-to-mil couple (with 1 dependent under the highest ranking) arrives to Guam (or prior to arrival) and starts house hunting for a monthly rental that equates to \$4,655 based on adding their OHA rates together.

**E7 OHA:** \$2,450.00

**E7 Utility Allowance:** \$1,495.00

**E6 OHA:** \$2,205.00

**E6 Utility Allowance:** \$1,121.25

\*The rates can be found at the Defense Travel Management Office website (GU001 = Guam)

<https://www.defensetravel.dod.mil/site/ohaCalc.cfm>

### **Breakdown of OHA Entitlements:**

1. Based on the information above, members will add the E7+E6 OHA rates to come to a monthly income of \$4,655.00 (much like BAH stateside)
2. However, because a military member cannot be a dependent of another military member overseas, the JTR considers them as "sharing" or 2x roommates

Wednesday 9:00 a.m. – 12:00 p.m.

CLOSED on 2nd Tuesday of every month for Training, Weekends, Federal Holidays, and PACAF Family Days

3. Because of this, the rent is split 50/50 and a \$4,655 a month rental equates to a \$2,327.50 split.
4. Considering this, the OHA rates listed above are the maximum OHA monthly entitlement, so the E7 in this scenario would receive a monthly OHA of \$2,327.50, but the E6 is capped at the maximum rate of \$2,205.
5. This will give the mil-to-mil couple a monthly household OHA amount of \$4,532.50  
COMPUTATION:  $\$2,327.50 + \$2205 = \$4,532.50$
6. This results in a negative (-\$122.50) if the mil-to-mil couple sign a lease for \$4,655.00 on the basis of adding their OHA rates together

### **Breakdown of Utility Allowances:**

Mil-to-mil couples will also split the monthly Guam utility allowance, although it's a 50/50 split on the maximum monthly utility allowance authorized for Guam (regardless of rental amount).

E7:  $\$1,495.00 * 50\% = \$747.50$

E6:  $\$1,121.25 * 50\% = \$560.63$

Monthly Household Utility Allowance: \$1,308.13

PSC 455 Box 208

TO: Sponsors of DoDEA Elementary, Middle and High School Students

FROM: Student Transportation Office

SUBJECT: Advisory Policy regarding bus service prior to signing a lease

Dear Parents/Sponsors,

DoDEA Guam School District poses some unique challenges for students that require bus service and need to walk to a bus stop. That walk can be especially challenging when these students live off base and there are a lack of street lights, stoplights, crosswalks, and sidewalks. It is extremely important for the Parent/Sponsor to be aware of the situation prior to signing a rental/lease agreement. These challenges are not in all areas, but all need to be aware of where the bus stops, and where the commuting zones are. Other factors to consider are that DoDEA buses cannot back up and normally cannot u-turn as streets are too narrow. We've had a few families that have moved into rental units only to find out later that the bus stop location or bus service would be a problem. If it is a single parent, the spouse is deployed, can't drive, etc. it can negatively impact the family.

Please contact our local Student Transportation Office (STO) before signing any lease agreement. For best results email the street address of the residence in question to the STO general inbox

[Guam.STO@pac.dodea.edu](mailto:Guam.STO@pac.dodea.edu) They can send back the location, approximate distance to the residence, and provide the pick-up / drop off times of the bus that services that stop.

Parents/Sponsors, please ensure your contact info is up to date with the school as the school database is often our information source.

We will reply with maps and/or photos, pick-up/drop-off time & any other info that you may need. The bus pass will be sent out with the bus for immediate use. Quick and easy!

### Very Important:

Due to road/street design, lack of safe bus stops, etc., some areas on

Guam are very difficult to provide bus services to. **\*Prior to accepting/ signing lease for off base quarters, please check with our office to confirm bus service is available for that area or address.**

## FAQ

**Q:** How do I find out what school my student is zoned for?

**A:** School zones are based on assigned physical quarters. Prior to signing any rental agreement (off base), or accepting base housing, please email our office to confirm bus service in the desired area you are considering, and find out which school your child will attend.

**Q:** I live outside the commuting zone, can I register my kids for school bus transportation?

**A:** If you have an approved waiver, Yes, but you are responsible for transporting your children to the nearest bus stop for that particular school zone.

**Q:** My child's enrollment in school is considered "Space Available", can I still register him/her to ride if within the commuting zone?

**A:** Yes, but only if a bus route is available in that area that services the school for your student(s) are zoned for on a space available basis, otherwise the trusted friend is responsible for transporting your kids to/from school.

**Q:** My child left an item on the bus, how do I get it back?

**A:** Items left behind will be kept for a day or two on the bus where your

child can get it back. After that it will be turned over to the school.

**Q:** What is the maximum distance that my child should be expected to walk to school or to a designated bus stop on or off base?

**A:** Not to exceed: K-5th grade no more than 1 mi or 1.60km; 6th - 12th grade no more than 1.5mi or 2.414km.

**Q:** I have a (K) Kindergarten age child riding the bus, how can I ensure they get off the bus safely?

**A:** All K age children must be accompanied by someone 12 yrs. old or older at the bus stop. A 4 digit PIN is required in order for the child to be released in the afternoon drop-offs. If you are not able to meet the bus at the stop, call our office in time to make arrangements.

**Q:** My son lost his bus pass, how do I get a replacement?

**A:** Please contact the Transportation Office to obtain a replacement. Bus passes will be sent out with the bus and issued to your child by the bus driver.

**Q:** Can my child bring their musical instrument, or class project on the bus?

**A:** The size of instrument and/or class project will determine if it's allowed on the bus. It would normally be allowed if the item can fit into a back pack. Large instruments such as Tubas, French Horns, etc. are not allowed on the bus. Trumpets, Flutes, Clarinets are allowed. Large items can impede safe exit during emergencies.

# HOME SCHOOL SUPPORT

## Did You Know?

DoDEA schools serve eligible home school children of military families.

Department of Defense Education Activity (DoDEA) schools offer eligible homeschooled children the opportunity to take one or more classes and/or to use or receive "auxiliary services". However, homeschoolers must meet the same eligibility requirements as dependents enrolled in the DoDEA schools. Auxiliary services include the use of academic resources (including scheduled standardized tests, etc.), access to the library (information center), after-hours use of school facilities, participation in music, sports, and other extracurricular and interscholastic activities.

- Read** DODEA Administrative Instruction 1375.01 Home-School-Students April 10, 2018. <https://www.dodea.edu/Offices/PolicyAndLegislation/upload/DoDEA-AI-1375-01-Home-School-Students-Change-1.pdf>
- Bring** a copy of the military sponsor's orders (and page 2 for Navy) and the dependent's proof of identity such as birth certificate, passport, DoD identification card to the school to establish eligibility.
- Contact** the DoDEA School Office in your area to register to take classes, participate in sports, music and to ask about other school resources and activities. To inquire about Dual Credit Enrollment, contact the school guidance counselor.

Volunteering for our award-winning USO Andersen is unlike any other opportunity you will find. You will be joining an enthusiastic and passionate team in an organization with a history that spans more than seventy-five years. We are currently recruiting volunteers to support our USO Andersen center operations and special events. Join the Force behind the Forces today!

### Center Representative

Volunteers support the day-to-day operations inside our USO Andersen center where we serve an average of 2,000 service members and their families each month. Duties include welcoming guests and checking their IDs, providing information about our USO and local community, ensuring the center is clean and organized, preparing and cooking food, monitoring and restocking supplies, and assisting guests with computers, games, televisions, phone calls, and more. Center representatives must be at least 18 years old and are asked to commit to a set 2-hour minimum weekly shift (shift availability varies and is based on).

### Outreach/Special Events

Volunteers support USO Andersen programs or special events outside of the center such as military deployments, homecomings, and outreach events. Specific duties and working environments will vary depending on the type of event. Some of our annual events include the Golf for Our Heroes, Run for Our Heroes, International Asian Bazaar, Holiday Arts & Crafts Fair, and Home for the Holidays Thanksgiving and Christmas Dinners. This opportunity is ideal if you prefer a one-time or short-term quarterly commitment.

## Typhoons

Guam lies in Typhoon alley, which is at the greatest risk for Typhoons. Typhoons can happen at any point in the year.

- A typhoon is a large-scale tropical storm that occurs west of the International Date Line.
- A typhoon has sustained wind speeds of at least 74 mph.
- Know and be aware of your TCCOR levels and the actions to take for you and your family.
- Have your typhoon kit ready at all times; stores will experience higher volumes during times of emergencies.
- Ensure safety of all family members including pets; remember they are just as scared as you are.

## Flash Floods

- Occur with little or no warning
- 6" of moving water can float your vehicle
- 3' of water can move an adult
- Water pools on many Guam roads
- Be mindful of hydroplane hazards

# Do Your Part to Stop Terrorism

## U.S. AIR FORCE EagleEyes

WATCH.REPORT.PROTECT.

### The first step is knowing what to look for.

Always keep an Eagle Eye out for these suspicious behaviors:

#### >> Surveillance.

Someone recording or monitoring activities, including the use of cameras (both still and video), note taking, drawing diagrams, writing on maps, or using binoculars or any other vision-enhancing device.

#### >> Elicitation.

Anyone or any organization attempting to gain information by mail, fax, telephone, or in person about military operations or people.

#### >> Tests of Security.

Any attempts to measure reaction times to security breaches or to penetrate physical security barriers or procedures.

#### >> Acquiring Supplies.

Purchasing or stealing explosives, weapons, ammunition, uniforms, decals, flight manuals, passes or badges (or the equipment to manufacture them), or any other controlled items.

#### >> Suspicious Persons Out of Place.

People who don't seem to belong in the workplace, neighborhood, business establishment, or anywhere else. This also includes suspicious border crossings, stowaways aboard ship, or people jumping ship in port.

#### >> Dry Run.

Putting people into position and moving them about without actually committing a terrorist act such as a kidnapping or bombing. An element of this activity could also include mapping out routes and determining the timing of traffic lights and flow.

#### >> Deploying Assets.

People and supplies getting into position to commit the act. This is the last opportunity to alert authorities before the terrorism occurs.
